AN EXPERTISE MADE-TO-MEASURE FOR YOU

- RESEARCH / CREATION • MAKING UP / REALIZATION • INSTALLATION

Issued from a genealogy of weavers, Alain Lengart masters the texture and spirit of this noble material : furnishing fabric.

Ami A. Lengart takes up all challenges without ever diverting from its method of reliability, accuracy, strictness and service, on which its reputation is built.

Material, most-advanced mechanisms, innovating, technical and decorative textiles are all classified M1 for fire safety.

Thanks to his integrated designing department, Ami A. Lengart will advise you on designing your projects, he will suggest aesthetic solutions and innovating techniques that will match your expectations.

Skill and expertise :

A workshop of tapestry-makers are continuously adjusting to the most innovating techniques.

Flexibility – Performances – Skills :

Quality training of a team who has experience of most advanced techniques whether traditional or electric.

The search for excellence, the urge of creativity, the control of realisations and installations, Ami A. Lengart checks and leads every step of your project to success.
